§ 8252. Temporary enlistments

Temporary enlistments may be made only in the Air Force without specification of component.

§ 8253. Air Force: persons not qualified

(a) No person who is insane, intoxicated, or a deserter from an armed force, or who has been convicted of a felony, may be enlisted or mustered into the Air Force. However, the Secretary of the Air Force may authorize exceptions, in meritorious cases, for the enlistment or muster into the Air Force of deserters and persons convicted of felonies.

(b) No person whose service during his last term of enlistment was not honest and faithful may be reenlisted in the Air Force. However, the Secretary may authorize the reenlistment or muster into the Air Force of such a person if his conduct after that service has been good.

(c) In time of peace, no person may be accepted for original enlistment in the Air Force unless he is, or has made a legal declaration of intention to become, a citizen of the United States.

§ 8254. Air Force: during war or emergency

Except as provided in section 8256 of this title and except for enlistments as Reserves of the Air Force—

(1) temporary enlistments in the Air Force entered into in time of war or of emergency declared by Congress shall be for the duration of the war or emergency plus six months; and

(2) only persons at least 18 years of age and otherwise qualified under regulations to be prescribed by the Secretary of the Air Force are eligible for such enlistments.

§ 8255. Regular Air Force: recruiting campaigns

The Secretary of the Air Force shall conduct intensive recruiting campaigns to obtain enlistments in the Regular Air Force.

§ 8256. Regular Air Force: qualifications, term, grade

(a) Notwithstanding section 8254 (2) of this title, the Secretary of the Air Force may accept original enlistments in the Regular Air Force of qualified, effective, and able-bodied persons who are not less than 17 years of age in the case of male persons and not less than 18 years of age in the case of female persons, nor more than 35 years of age, for periods of two, three, four, five, or six years. However, no male person under 18 years of age, or female person under 21 years of age, may be originally enlisted without the written consent of his parent or guardian, if he has a parent or guardian entitled to his custody and control.

(b) The Secretary may accept reenlistments in the Regular Air Force for periods of three, four, five, or six years. However, a person who last served in one of the highest three enlisted grades may be reenlisted for an unspecified period on a career basis. No age limitation applies to reenlistments. No enlisted member is entitled to be reenlisted for a period that would expire before the end of his current enlistment.

(c) An enlistment in the Regular Air Force in effect at the outbreak of a war or entered into during a war, unless sooner terminated by the President, continues in effect until six months after the termination of that war.

(d) Subject to subsection (e), a person is enlisted in the Regular Air Force in the grade prescribed by the Secretary.

(e) A person who, upon his discharge from the Regular Air Force, is recommended for reenlistment is entitled to be reenlisted in the grade held by him when discharged, if he applies therefor within a period to be specified by the Secretary, but not later than three months after his discharge. However, a person who has been discharged from the Regular Air Force because of the acceptance of his resignation is not entitled, upon reenlistment, to the grade held by him when discharged.

(f) This section does not deprive a person of any right to be reenlisted in the Regular Air Force under any other provision of law.

§ 8257. Regular Air Force: aviation cadets; qualifications, grade, limitations

(a) The grade of aviation cadet is a special enlisted grade in the Regular Air Force.

(b) Any male citizen of the United States may be enlisted as an aviation cadet, if he is otherwise qualified.

(d) Except in time of war or of emergency declared by Congress, at least 20 percent of the aviation cadets designated in each fiscal year shall be selected from members of the Regular Air Force or the Regular Army who are eligible and qualified. No person may be enlisted or designated as an aviation cadet unless—

(1) he agrees in writing that, upon his successful completion of the course of training as an aviation cadet, he will accept a commission as second lieutenant in the Air Force Reserve, and will serve on active duty as such for a period of three years, unless sooner released; and

(2) if under 21 years of age, he has the consent of his parent or guardian to his agreement.

§ 8258. Regular Air Force: reenlistment after service as an officer

Any former enlisted member of the Regular Air Force who has served on active duty as a reserve officer of the Air Force, or who was discharged as an enlisted member to accept a temporary appointment in the Air Force, is entitled to be reenlisted in the Regular Air Force in the enlisted grade that he held before his service as an officer, without loss of seniority or credit for service, if his service as an officer terminated honorably and he applies for reenlistment within six months or such other period as the Secretary of the Air Force prescribes for exceptional circumstances, after the termination of that service, regardless of the existence of a vacancy in his grade or of a physical disability incurred or having its inception in line of duty.

§ 8259. Air Force Reserve: transfer from Air National Guard of United States

Under such regulations as the Secretary of the Air Force may prescribe, and with the consent of the governor or other appropriate authority of the State or Territory, Puerto Rico, the Canal Zone, or the District of Columbia, whichever is concerned, an enlisted member of the Air National Guard of the United States may be transferred in grade to the Air Force Reserve. Upon transfer, he is eligible for promotion to the highest regular or reserve grade ever held by him in the Air Force, if his service has been honorable.

§ 8260. Air Force Reserve: transfer to upon withdrawal as member of Air National Guard

Unless discharged from his enlistment as a Reserve, an enlisted member of the Air National Guard of the United States who ceases to be a member of the Air National Guard becomes a member of the Air Force Reserve. An enlisted member who so becomes a member of the Air Force Reserve ceases to be a member of the Air National Guard of the United States.

§ 8261. Air National Guard of United States

(a) Except as provided in subsection (b), to become an enlisted member of the Air National Guard of the United States, a person must—

§ 8262. Extension of enlistment for members needing medical care or hospitalization

(a) An enlisted member of the Air Force on active duty whose term of enlistment expires while he is suffering from disease or injury incident to service and not due to his misconduct, and who needs medical care or hospitalization, may be retained on active duty, with his consent, until he recovers to the extent that he is able to meet the physical requirements for reenlistment, or it is determined that recovery to that extent is impossible.

(b) This section does not prevent the retention in service, without his consent, of an enlisted member of the Air Force under section 8638 of this title.

§ 8295. Commissioned officers: original appointment; determination of place on promotion list

The name of each person originally appointed in a commissioned grade in the Regular Air Force shall be placed on the applicable promotion list, if any, immediately below the junior officer of the same grade having the same or next longer service.

§ 8296. Promotion lists: promotion-list officer defined; determination of place upon transfer or promotion

(a) The names of all commissioned officers in grades below brigadier general on the active list of the Regular Air Force, except Air Force nurses, women medical specialists, those in special categories otherwise excluded under law, and professors of the United States Air Force Academy shall be carried on promotion lists in descending order of grade and rank in the Regular Air Force. Air Force nurses and women medical specialists may be carried on promotion lists, but only on separate promotion lists maintained under subsection (b). Officers whose names are carried on a promotion list may be called "promotion-list officers".

(b) A separate promotion list may be maintained for commissioned officers of the Regular Air Force in each of the following categories:

- (1) Chaplains.
- (2) Judge Advocates.
- (3) Medical officers.
- (4) Dental officers.
- (5) Veterinary officers.
- (6) Medical service officers.
- (7) Air Force nurses.
- (8) Women medical specialists.
- (9) Any category established by the Secretary of the Air Force under section 8067 (i) of this title.

(c) The names of all regular officers, other than Air Force nurses and women medical specialists, not on a list maintained under subsection (b) shall be carried on the Air Force promotion list.

(d) If a promotion-list officer is transferred from one category to another whose officers are carried on a different promotion list, his name shall be placed upon the promotion list to which he is transferred among the officers of his grade in accordance with seniority as determined under section 8574 (b) of this title.

(e) Unless specifically provided otherwise, upon the promotion of a promotion-list officer, his name shall be placed at the foot of the list of officers of his grade.

§ 8297. Selection boards

(a) Under such regulations as he may prescribe, the Secretary of the Air Force shall detail selection boards, to meet at times prescribed by him, to recommend promotion-list officers and brigadier generals of the Regular Air Force for promotion in the Regular Air Force. Each

board shall be composed of at least five officers of the Regular Air Force who hold a regular or temporary grade above lieutenant colonel, and who are senior in regular grade to, and who outrank, any officer considered by that board. However, a selection board considering, under section 8300 (a) or (b) of this title, female promotion-list officers other than those designated under section 8067 of this title to perform professional functions may include female promotion-list officers other than officers in those categories who are senior in regular grade to, and who outrank, any female officer being considered by that board.

(b) No selection board may serve longer than one year and no member may serve on two consecutive boards for promotions to the same grade, if the second board considers any officer considered but not recommended for promotion by the first.

(c) Each member of a selection board must swear that he will perform his duties without prejudice or partiality, having in view the special fitness of officers and the efficiency of the Air Force.

(d) Except as otherwise provided by law, promotion-list officers and brigadier generals of the Regular Air Force may be promoted to the regular grades of captain through major general only when recommended by a selection board. A recommendation for promotion must be made by the majority of the total membership of the board.

(e) Not later than 10 days after a board first meets, any officer eligible for consideration by that board is entitled to send a letter, through official channels, calling attention to matters of record in the Department of the Air Force concerning himself that he considers important. The letter may not contain any reflection upon the character, conduct, or motives of any officer, or criticism of any officer.

§ 8298. Commissioned officers: promotion to first lieutenant; effect of failure of promotion

(a) A promotion-list officer in the grade of second lieutenant shall be promoted to the regular grade of first lieutenant upon completing three years of service with which he is entitled to be credited for promotion. If a promotion-list officer in that grade is found to be not fully qualified, he shall be discharged under section 8814 of this title.

(b) Vacancies in the grade of first lieutenant on a promotion list may be filled by promoting second lieutenants on that list with less than three years of service, in order of seniority, under regulations prescribed by the Secretary of the Air Force.

(c) This section does not apply to Air Force nurses and women medical specialists.

§ 8299. Commissioned officers: promotion to captain, major, or lieutenant colonel

(a) Promotion-list officers shall be promoted to the regular grades of captain, major, and, except as provided in subsection (f), lieutenant colonel, under subsections (b) and (c), or eliminated from the active list under section 8303 of this title.

(b) Without regard to vacancies, each promotion-list officer whose regular grade is first lieutenant, captain, or major shall be considered by a selection board for promotion to the next higher regular grade,

far enough in advance of the date on which he will complete 7, 14, or 21 years of service with which he is entitled to be credited for promotion, as the case may be, that if recommended, he may be promoted on the date on which he will complete that service.

(c) Having in view the number of actual and anticipated vacancies on a promotion list in the regular grade of captain, major, or lieutenant colonel, the Secretary of the Air Force may direct a selection board to consider and recommend officers on that list for promotion to the next higher regular grade without regard to length of service. However, no officer may be considered for promotion under this section more than two years before the date on which it is anticipated that he will be promoted if recommended, and unless the same board considers all officers above him on that list who are not on a recommended list.

(d) The names of promotion-list officers recommended for promotion under this section and section 8301 of this title shall be carried on permanent recommended lists of their grade and promotion list in the same order among themselves as on the applicable promotion list, and they shall be promoted in that order. A promotion may be made whenever there is a vacancy, but it is not mandatory that the authorized numbers be maintained in any grade on any promotion list.

(e) Whenever an officer is promoted under subsection (b), all officers in the same grade and on the same promotion list whose names are on the recommended list above that of the officer who must be promoted because of length of service shall be promoted at the same time and shall retain among themselves their existing seniority.

(f) Female promotion-list officers, other than those designated under section 8067 of this title to perform professional functions, may be promoted to the regular grade of lieutenant colonel only to fill vacancies in the number authorized by the Secretary for that category, and only when recommended by a selection board under regulations to be prescribed by the Secretary. Such a female promotion-list officer whose regular grade is major may not be eliminated from the active list because of failure of selection for promotion to the regular grade of lieutenant colonel.

(g) A promotion-list officer who has been twice considered and not recommended for promotion to any one regular grade may not again be considered for promotion under this section.

(h) This section does not apply to Air Force nurses and women medical specialists.

§ 8300. Commissioned officers: promotion to captain, major, or lieutenant colonel; selection board procedure

(a) When promotion-list officers in the regular grade of first lieutenant, captain, or major are to be considered, under section 8299 of this title, by a selection board for promotion to the next higher regular grade to fill existing or anticipated vacancies, the Secretary of the Air Force may direct the board to—

- (1) consider officers in the specified grade in the order of their seniority on the promotion list concerned;
- (2) recommend those who are fully qualified for promotion;
- (3) pass over those not so qualified; and

(4) continue this procedure until the number of officers specified by him is recommended.

(b) When a promotion-list officer in the regular grade of first lieutenant, captain, or major must be considered under section 8299 of this title for promotion because of length of service, or because he is on a promotion list above an officer who must be considered for that reason, the Secretary may—

(1) furnish the board a list of officers to be considered for promotion to the grade concerned; and

(2) direct the board to recommend the officers on that list whom it considers fully qualified for promotion.

(c) Instead of the procedures set forth in subsection (a) or (b), the Secretary may furnish to the board a list of promotion-list officers to be considered and may direct it to recommend a number specified by him for promotion. The board shall recommend those officers whom it considers to be the best qualified. However, the number prescribed by the Secretary for recommendation must be at least 80 percent of those listed for consideration.

§ 8301. Commissioned officers: promotion to captain, major, or lieutenant colonel; officers with special qualifications

(a) In addition to the method prescribed in section 8300 of this title, whenever there are vacancies on the Air Force promotion list in the regular grade of captain, major, or lieutenant colonel, and the Secretary of the Air Force considers that there are or will be too few officers in any of those grades with special qualifications, he may direct a selection board to recommend a prescribed number of officers with those qualifications, for promotion to that grade, under the procedures prescribed in sections 8299 and 8300 of this title. However, an officer considered but not recommended under this section shall be treated as though he had not been considered for promotion within the meaning of section 8299 or 8303 of this title.

(b) This section does not apply to Air Force nurses and women medical specialists.

§ 8302. Commissioned officers; medical, dental, and veterinary officers: promotion to captain, major, or lieutenant colonel; professional examination

(a) No commissioned officer designated as a medical officer or veterinary officer whose regular grade is below lieutenant colonel may be promoted in the Regular Air Force until he passes an examination of his professional fitness before an examining board composed of three or more medical officers of the Regular Air Force selected by the Secretary of the Air Force. No commissioned officer designated as a dental officer whose regular grade is below lieutenant colonel may be promoted in the Regular Air Force until he passes an examination of his professional fitness before an examining board composed of one medical officer and two dental officers of the Regular Air Force, selected by the Secretary. The examination shall be prescribed by the Secretary and shall be held at such time before the right to promotion accrues as may be in the best interest of the Air Force.

(b) If an officer designated as a medical, dental, or veterinary officer in the regular grade of first lieutenant or captain is found disqualified for promotion by the examining board, the Secretary

shall detail a board of review to consider the findings of the examining board.

(c) A board of review shall be composed in the same manner as an examining board, except that its members must be senior in rank to the officer examined, and must not have served on the examining board that examined him.

(d) If the board of review concurs in the findings of the examining board, the officer shall be honorably discharged with one year's pay. If it does not concur in the findings, the officer shall be considered qualified and shall be promoted.

(e) An officer designated as a medical, dental, or veterinary officer in the regular grade of major who fails his first examination for promotion shall be suspended from promotion and re-examined as soon as practicable after one year from the date of his first examination. While he is so suspended from promotion, his name shall be removed from the recommended list and the years of service with which he is entitled to be credited for promotion purposes shall be reduced, if necessary, as provided in section 8303 (b) of this title.

(f) If on reexamination such a major is found qualified, his name shall be restored to the recommended list and he is eligible for promotion. If he is found disqualified for promotion, he shall be treated in the manner provided for deferred officers under section 8303 (d) of this title.

(g) While an officer is suspended from promotion under subsection (e), his right to promotion passes successively to the officers below him who are in the same grade and on the same promotion list, and who are or may become eligible for promotion.

(h) If the needs of the Air Force require that an officer entitled to promotion upon examination under subsection (a) be absent from a place where an examining board can be convened, the officer may be promoted, subject to examination as soon as practicable. However, if he is thereafter examined and found disqualified for that promotion, and if the proceedings are approved by the Secretary, he shall be treated as if he had been examined before promotion and had failed.

(i) If an officer who is found qualified for promotion under this section dies in line of duty after the occurrence of a vacancy that would entitle him to that promotion because of his seniority and before promotion, the President may issue, or have issued, an appropriate commission in the name of that officer. A commission issued under this subsection shall issue as of the date of the vacancy, and the officer's name shall be carried on the records of the Department of the Air Force as if he had served in the grade in which posthumously commissioned, from the date of the vacancy to the date of his death. No person is entitled to any bonus, gratuity, pay, or allowance because of this subsection.

§ 8303. Commissioned officers: effect of failure of promotion to captain, major, or lieutenant colonel

(a) In this subtitle, "deferred officer" means a promotion-list officer considered for promotion to the grade of captain, major, or lieutenant colonel under section 8299 of this title, but not recommended for promotion.

(b) The years of service with which a deferred officer is entitled to be credited for promotion purposes shall be reduced so that one year after the date on which he would have been promoted had he been recommended by a selection board he will not have more than 7, 14, or 21 years of service, if in the grade of first lieutenant, captain, or major, as the case may be.

(c) A deferred officer shall be considered again by the next selection board considering officers of his grade and promotion list. If recommended by this board, his name shall be placed on the applicable recommended list with the other officers recommended by the board, in the same order among themselves as on the promotion list, but below officers placed on that list by an earlier board. If a deferred officer is promoted upon the recommendation of the next board considering officers of his grade, his first failure does not count as a failure of selection when he is thereafter considered for promotion to another regular grade.

(d) A deferred officer who is not recommended by the next selection board considering officers of his grade and promotion list shall—

(1) if he is eligible, be retired under section 8913 of this title;

(2) if he is not eligible for retirement under section 8913 of this title, but is eligible for retirement under any other provision of law, be retired under that law on the date when he would have been retired under section 8913 of this title if he were eligible; or

(3) if he is not eligible for retirement under section 8913 of this title or any other provision of law, be honorably discharged on the date he would have been retired under section 8913 of this title if he were eligible, with severance pay computed by multiplying his years of service, but not more than 12, computed under section 8927 (a) of this title, by two months' basic pay of the grade in which he is serving on the date of his discharge.

(e) For the purposes of subsection (d) (3), a part of a year that is six months or more is counted as a whole year, and a part of a year that is less than six months is disregarded.

§ 8304. Commissioned officers; Air Force nurses and women medical specialists: promotion to first lieutenant, captain, major, lieutenant colonel, or colonel

(a) Commissioned officers of the Regular Air Force designated as Air Force nurses and women medical specialists shall be promoted to the regular grade of first lieutenant upon completing the service prescribed for promotion to that grade under section 8298 of this title.

(b) Commissioned officers of the Regular Air Force designated as Air Force nurses and women medical specialists shall be promoted to the regular grade of captain or eliminated from the active list in the manner prescribed in sections 8299, 8300, and 8303 of this title.

(c) Under regulations to be prescribed by the Secretary of the Air Force, commissioned officers of the Regular Air Force designated as Air Force nurses and women medical specialists shall be promoted to the regular grades of major, lieutenant colonel, or colonel, by selection, to fill vacancies in those grades.

§ 8305. Commissioned officers: promotion to colonel

(a) Having in view the number of actual and anticipated vacancies in any promotion list in the regular grade of colonel and the number of officers desired in that grade on that promotion list, the Secretary of the Air Force shall furnish to selection boards lists of officers in the regular grade of lieutenant colonel, in order of seniority in regular grade, to be considered by those boards. The Secretary may not furnish the name of any officer to the board unless he furnishes to it the names of all officers above that officer on that promotion list who are not on a recommended list. He shall direct the boards to recommend a number prescribed by him for promotion to the grade of colonel. The list furnished may not contain the name of any officer who is on a recommended list for promotion to that grade. The board shall recommend the prescribed number of those officers whom it considers to be the best qualified.

(b) Whenever the Secretary considers that there are or will be too few officers with special qualifications, in the grade of colonel on the Air Force promotion list, he may direct that a specified number of the officers to be recommended for promotion to the regular grade of colonel be officers with those qualifications.

(c) The names of officers recommended for promotion to the regular grade of colonel shall be entered at the foot of, and carried on, the appropriate permanent recommended list for promotion to that grade in the same order among themselves as on the applicable promotion list. Officers shall be promoted in that order when there is a vacancy in that grade for that list. A vacancy in that grade may be filled at any time. It is not mandatory that the authorized numbers be maintained in the grade of colonel on any promotion list.

(d) The ratio of the number of officers on any promotion list who are named for consideration for promotion to the regular grade of colonel, to the number directed to be recommended, may be prescribed by the Secretary.

(e) No officer may be considered for promotion to the regular grade of colonel more than two years before the date on which it is anticipated that he will be promoted if selected.

(f) An officer must complete at least one year of service in the regular grade of lieutenant colonel before being nominated for promotion to the Regular grade of colonel.

(g) This section does not apply to female officers on the Air Force promotion list nor to Air Force nurses or women medical specialists.

§ 8306. Commissioned officers: promotion to brigadier general

(a) Having in view the number of actual and anticipated vacancies in the regular grade of brigadier general and the number of officers desired in that grade, the Secretary of the Air Force shall furnish to selection boards lists of officers in the regular grade of colonel, in order of seniority in regular grade, to be considered by those boards. He shall direct the boards to recommend a number prescribed by him for promotion to the grade of brigadier general, but he need not direct the recommendation of a number sufficient to maintain the authorized number for that grade. The list furnished may not contain the name of any officer who is on a recommended list for promotion to that grade. The Secretary may further

direct that a specified number of those recommended be officers with experience qualifying them for service in the categories to which officers may be designated under section 8067 of this title. The board shall recommend the prescribed number of those officers whom it considers to be best qualified.

(b) The names of officers recommended for promotion to the regular grade of brigadier general shall be entered at the foot of, and carried on, the permanent recommended list for promotion to that grade, in the order to be determined by the Secretary.

(c) If an officer is recommended for promotion to the regular grade of brigadier general and is not removed from the list by the President, he may be nominated and appointed as soon as a vacancy exists in the authorized number for that grade.

(d) The ratio of the number of officers on any promotion list who are named for consideration for promotion to the regular grade of brigadier general, to the number directed to be recommended, may be prescribed by the Secretary.

(e) No officer may be considered for promotion to the regular grade of brigadier general more than one year before the date on which it is anticipated that he will be promoted if recommended.

(f) An officer must complete at least one year of service in the regular grade of colonel before being nominated for promotion to the regular grade of brigadier general.

§ 8307. Commissioned officers: promotion to major general

(a) Having in view the number of actual and anticipated vacancies in the regular grade of major general and the number of officers desired in that grade, the Secretary of the Air Force shall furnish to selection boards lists of officers in the regular grade of brigadier general, in order of seniority in regular grade, to be considered by those boards. He shall direct the boards to recommend a number prescribed by him for promotion to the grade of major general, but he need not direct the recommendation of a number sufficient to maintain the authorized number for that grade. The list furnished may not contain the name of any officer who is on a recommended list for promotion to that grade. The Secretary may further direct that a specified number of those recommended be officers with experience qualifying them for service in the categories to which officers may be designated under section 8067 of this title. The board shall recommend the prescribed number of those officers whom it considers to be best qualified.

(b) The names of officers recommended for promotion to the regular grade of major general shall be entered at the foot of, and carried on, the permanent recommended list for promotion to that grade, in the order to be determined by the Secretary.

(c) If an officer is recommended for promotion to the regular grade of major general and is not removed from the list by the President, he may be nominated and appointed as soon as a vacancy exists in the authorized number for that grade.

(d) The ratio of the number of officers on any promotion list who are named for consideration for promotion to the regular grade of major general, to the number directed to be recommended, may be prescribed by the Secretary.

(e) No officer may be considered for promotion to the regular grade of major general more than one year before the date on which it is anticipated that he will be promoted if recommended.

(f) An officer must complete at least one year of service in the regular grade of brigadier general before being nominated for promotion to the regular grade of major general.

§ 8308. Commissioned officers: effect of removal from recommended list by President or failure of confirmation by Senate

The President may remove from a recommended list for promotion to any grade the name of any promotion-list officer or brigadier general of the Regular Air Force who in his opinion is not qualified for promotion. If an officer's name is so removed, or if the Senate does not consent to his appointment, he continues to be eligible as if he had not been considered for promotion and may be recommended by the next selection board considering officers of his grade. If he is promoted on the recommendation of that board, he has the same date of rank and place on the promotion list that he would have had if he had been promoted as a result of his original selection. If the second board considers but does not recommend an officer who would be subject to elimination for second failure of selection for promotion to the grade concerned, or if he again fails of promotion because his name is removed from the recommended list by the President or because the Senate does not consent to his appointment, he shall be eliminated from the active list under section 8303 of this title.

§ 8309. Commissioned officers: physical examination for promotion

(a) The President may prescribe a system of physical examination for all commissioned officers of the Regular Air Force in grades below brigadier general to determine their fitness for promotion in the Regular Air Force. Each examination shall be given before the right to promotion accrues.

(b) If the needs of the Air Force require that an officer entitled to promotion upon physical examination under subsection (a) be absent from a place where an examining board can be convened, the officer may be promoted subject to examination as soon as practicable. However, if he is thereafter examined and found physically disqualified for that promotion, and if the proceedings are approved by the Secretary of the Air Force, he shall be treated as if he had been examined before promotion and had failed.

(c) If a commissioned officer fails to pass the physical examination and is reported unfit for promotion, the officer next below him on a recommended list for promotion who has passed the examination and is otherwise qualified shall be promoted.

§ 8310. Warrant officers: original appointment; qualifications

Original appointments as warrant officers in the Regular Air Force shall be made from persons who have served on active duty at least one year in the Air Force.

§ 8312. Officers: acceptance of promotion

(a) An officer who is promoted in the Regular Air Force is considered to have accepted his promotion on the date of the order announcing it, unless he expressly declines the promotion. He is entitled to the pay and allowances of the higher grade from that date, unless entitled to them from an earlier date under another provision of law.

(b) An officer need not take the oath of office upon promotion if his service since last taking it has been continuous.

§ 8313. Suspension of laws for promotion or mandatory retirement or separation during war or emergency

In time of war, or of emergency declared by Congress or the President, the President may suspend the operation of any provision of law relating to promotion, or mandatory retirement or separation, of commissioned officers of the Regular Air Force.

CHAPTER 837.—APPOINTMENTS AS RESERVE OFFICERS

Sec.

8351. Officers: Air National Guard of United States.

8352. Officers: Air Force Reserve: transfer from Air National Guard of United States.

8354. Commissioned officers: Air Force Reserve: appointment of warrant officers and enlisted members of Air National Guard of United States.

8355. Commissioned officers: Air Force Reserve: appointment; A. F. R. O. T. C. graduates.

8356. Commissioned officers: Air Force Reserve; aviation cadets: appointment; qualifications, grade.

8394. Officers: acceptance of promotion.

8395. During war.

§ 8351. Officers: Air National Guard of United States

(a) Upon being federally recognized, an officer of the Air National Guard shall be appointed as a Reserve for service as a member of the Air National Guard of the United States in the grade that he holds in the Air National Guard. However, an officer of the Air Force Reserve who is federally recognized as an officer of the Air National Guard becomes an officer of the Air National Guard of the United States and ceases to be an officer of the Air Force Reserve. The acceptance of an appointment as a Reserve for service as a member of the Air National Guard of the United States by an officer of the Air National Guard does not vacate his office in the Air National Guard.

(b) When an officer of the Air National Guard to whom temporary Federal recognition has been extended is appointed as a Reserve for service as a member of the Air National Guard of the United States, his appointment shall bear the date of the temporary recognition and shall be considered to have been accepted and effective on that date.

(c) When the Air National Guard of the United States is ordered to active duty, any officer of the Air National Guard who is not a Reserve of the Air Force may be appointed by the President as a Reserve for service as a member of the Air National Guard of the United States in the grade that he holds in the Air National Guard.

§ 8352. Officers; Air Force Reserve: transfer from Air National Guard of United States

(a) Under such regulations as the Secretary of the Air Force may prescribe, and with the consent of the governor or other appropriate authority of the State or Territory, Puerto Rico, the Canal Zone, or the District of Columbia, whichever is concerned, an officer of the Air National Guard of the United States may be transferred in grade to the Air Force Reserve. Upon transfer, he is eligible for promotion to the highest regular or reserve grade ever held by him in the Air Force, if his service has been honorable.

(b) Unless discharged from his appointment as a Reserve, an officer of the Air National Guard of the United States whose Federal recognition as a member of the Air National Guard is withdrawn becomes a member of the Air Force Reserve. An officer who so becomes a member of the Air Force Reserve ceases to be a member of the Air National Guard of the United States.

§ 8354. Commissioned officers; Air Force Reserve: appointment of warrant officers and enlisted members of Air National Guard of United States

Notwithstanding any other provision of law, a warrant officer or enlisted member of the Air National Guard of the United States may, without affecting that status or vacating his warrant or enlisted grade in the Air National Guard, be appointed as a reserve officer of the Air Force in the grade of first lieutenant or second lieutenant.

§ 8355. Commissioned officers; Air Force Reserve: appointment; A. F. R. O. T. C. graduates

The President alone may appoint any graduate of the junior or senior division of the Air Force Reserve Officers' Training Corps as a reserve commissioned officer for service in the Air Force Reserve, if that graduate—

- (1) has satisfactorily completed the courses of military training prescribed for the senior division;
- (2) has satisfactorily completed the further training prescribed in section 9385 of this title;
- (3) has participated after graduation in the practical instruction prescribed by the Secretary of the Air Force;
- (4) is at least 21 years of age; and
- (5) agrees under written oath to serve the United States as a reserve officer for at least five years from the date of his appointment, unless he is sooner discharged.

§ 8356. Commissioned officers; Air Force Reserve; aviation cadets: appointment; qualifications, grade

(a) An aviation cadet who successfully completes the prescribed course of training shall be appointed in the grade of second lieutenant as a Reserve of the Air Force for service in the Air Force Reserve, and shall be promoted to the reserve grade of first lieutenant upon completing three years of active duty under section 8257 (c) (1) of this title.

(b) A person who completes the course of training as an aviation cadet or aviation student, and who has served in the Army or the

Air Force in time of war as a commissioned or flight officer, may be originally appointed in any commissioned grade as a Reserve for service in the Air Force Reserve.

§ 8394. Officers; acceptance of promotion

(a) An officer of the Air National Guard of the United States or the Air Force Reserve who is promoted as a Reserve is considered to have accepted his promotion on the date of the order announcing it, unless he expressly declines the promotion. He is entitled to the pay and allowances of the higher grade from that date, unless entitled to them from an earlier date under another provision of law.

(b) An officer need not take the oath of office upon promotion if his service since last taking it has been continuous.

§ 8395. During war

In addition to appointments in time of war under chapter 839 of this title, appointments of reserve officers may be made in time of war.

CHAPTER 839.—TEMPORARY APPOINTMENTS

8441. General rule.

8442. Commissioned officers; regular and reserve components: appointment in higher grade.

8443. Commissioned officers; Reserves: appointment in higher or lower grade.

8444. Commissioned officers: during war or emergency.

8445. Officers: additional appointments during war or emergency.

8446. Retention on active duty.

8449. Warrant officers: promotion.

8450. Warrant officers: suspension of laws for promotion or mandatory retirement or separation during war or emergency.

8451. Officers: acceptance of appointment in higher grade.

§ 8441. General rule

Temporary appointments may be made only in the Air Force without specification of component.

§ 8442. Commissioned officers; regular and reserve components: appointment in higher grade

(a) Whenever the number of officers of the Regular Air Force in any regular grade above second lieutenant is less than the number authorized, the vacancies may be filled by the appointment of qualified officers, as prescribed in subsection (c).

(b) Whenever, under authorization by Congress, the number of commissioned officers of the Regular Air Force on active duty plus the number of other commissioned officers of the Air Force ordered to active duty for a period of more than 30 days is more than the authorized strength of the Regular Air Force in commissioned officers on the active list, the Secretary of the Air Force shall determine the additional number of officers needed in each of the commissioned grades based upon the number of officers serving on active duty and the tasks being performed by the Air Force. Vacancies resulting from that determination may then be filled by the appointment of qualified officers, as prescribed in subsection (c).

(c) Subject to subsections (a) and (b), a regular commissioned officer, or a reserve commissioned officer who is serving on active duty, may be appointed in a temporary grade that is equal to or higher than his regular or reserve grade, without vacating any other grade held by him. Under regulations to be prescribed by the Secretary, appointments made under this subsection shall be made on a fair and equitable basis. Selections shall be based upon ability and efficiency with regard being given to seniority and age.

§ 8443. Commissioned officers; Reserves: appointment in higher or lower grade

A reserve commissioned officer who is ordered to, or is serving on, active duty may be appointed, with his consent, in a temporary grade that is higher or lower than his reserve grade, without affecting his reserve grade.

§ 8444. Commissioned officers: during war or emergency

(a) In time of emergency declared by Congress or the President, and in time of war, the President may appoint any qualified person, including a person who is not a Regular or Reserve, in any temporary commissioned grade.

(b) An officer appointed under subsection (a) may be ordered to active duty for such period as the President prescribes.

(c) Unless sooner vacated, an appointment under subsection (a) is effective during the war or emergency in which it is made and for six months thereafter.

§ 8445. Officers: additional appointments during war or emergency

(a) In addition to appointments authorized under section 8442 of this title, in time of war, or of national emergency declared by the President, a regular officer or a reserve warrant officer may be appointed in a temporary grade that is higher than his regular or reserve grade, without vacating that grade.

(b) In addition to appointments authorized under subsection (a) of this section, and sections 8442, 8443, and 8444 of this title, in time of war a person who holds no commissioned grade in the Regular Air Force may be appointed in any temporary commissioned grade.

CHAPTER 871.—COMPUTATION OF RETIRED PAY

Sec.

8991. Computation of retired pay.

8992. Recomputation of retired pay to reflect advancement on retired list.

§ 8991. Computation of retired pay

The monthly retired pay of a person entitled thereto under this subtitle is computed according to the following table. For each case covered by a section of this title named in the column headed "For sections", retired pay is computed by taking, in order, the steps prescribed opposite it in columns 1, 2, 3, and 4, as modified by the applicable footnotes. However, if a person would otherwise be entitled to retired pay computed under more than one pay formula of this table or the table in section 1401 of this title, he is entitled to be

paid under the applicable formula that is most favorable to him. Section references below are to sections of this title.

Formula	For sections	Column 1 Take	Column 2 Multiply by	Column 3 Add	Column 4 Subtract
A	8881 8882 8912	Monthly basic pay to which member would be entitled if she were on active duty in her retired grade.	2½% of years of service credited to her under section 8887 or 8928, whichever is applicable. ⁴		Excess over 75% of pay upon which computation is based.
B	8883 8884 8885 8886 8913 8915 8916 8919 8921 8922 8923	Monthly basic pay to which member would be entitled if he were on active duty in his retired grade. ¹	2½% of years of service credited to him under section 8888 or 8927 (b), whichever is applicable. ⁴	Amount necessary to increase product of columns 1 and 2 to 50% of pay upon which computation is based.	Excess over 75% of pay upon which computation is based.
C	8911 8918 8920 8924	Monthly basic pay ² of member's retired grade. ¹	2½% of years of service credited to him in determining basic pay. ⁴		Excess over 75% of pay upon which computation is based.
D	8914	Monthly basic pay to which member was entitled on date when he applied for retirement.	2½% of years of service credited to him under section 8925. ⁴	10% of product of columns 1 and 2 for extraordinary heroism in line of duty. ⁴	Excess over 75% of pay upon which computation is based.
E	8917	Monthly basic pay ² of member's retired grade.	2½% of years of service credited to him under section 8925. ⁴		Excess over 75% of pay upon which computation is based.

¹ For the purposes of this section, determine member's retired grade as if section 8962 (a) did not apply.

² Compute at rates applicable on date of retirement and adjust to reflect later changes in applicable permanent rates. However, if member's retired grade is determined under section 8962 (b), 8963 (a), or 8963 (b), use pay to which member would be entitled if he were on active duty in his retired grade.

³ Compute at rates applicable on date of retirement.

⁴ Before applying percentage factor, credit a part of a year that is six months or more as a whole year, and disregard a part of a year that is less than six months.

⁵ The Secretary of the Air Force's determination as to extraordinary heroism is conclusive for all purposes.

§ 8992. Recomputation of retired pay to reflect advancement on retired list

A member of the Air Force who is advanced on the retired list under section 8964 of this title is entitled to recompute his retired pay as follows:

Column 1 Take	Column 2 Multiply by	Column 3 Add	Column 4 Subtract
Monthly basic pay or base and longevity pay, as the case may be, ¹ of grade to which member is advanced on retired list.	2½% of years of service credited to him under section 8925 of this title. ²		Excess over 75% of pay upon which computation is based.

¹ Compute at rates applicable on date of retirement.

² Before applying percentage factor, credit a part of a year that is six months or more as a whole year, and disregard a part of a year that is less than six months.

- (5) A chaplain.

§ 9332. Departments and professors: titles

The Secretary of the Air Force may prescribe the titles of each of the departments of instruction and the professors of the Academy. However, the change of the title of a department or officer does not affect the status, rank, or eligibility for promotion or retirement of, or otherwise prejudice, a professor at the Academy.

(a) The Superintendent and the Commandant of Cadets of the Academy shall be detailed to those positions by the President from the officers of the Air Force.

(b) The permanent professors of the Academy shall be appointed by the President, by and with the advice and consent of the Senate.

However, a permanent professor appointed from the Regular Air Force has the Regular grade of colonel after the date when he completes six years of service as a professor, or after the date when a promotion-list officer, junior to him on the promotion list on which his name was carried before his appointment as a professor, is promoted to the regular grade of colonel, whichever is earlier. All other permanent professors have the regular grade of lieutenant colonel.

There shall be a chaplain at the Academy, who must be a clergyman, appointed by the President for a term of four years. The chaplain is entitled to a salary of \$5,482.80 a year, and to the same allowances for public quarters as are allowed to a captain, and to fuel and light for quarters in kind. § 9341. Faculty and other officers: leaves of absence

The Superintendent of the Academy may grant a leave of absence for the period of the suspension of the ordinary academic studies, without deduction of pay or allowances, to a professor, assistant professor, instructor, or other officer of the Academy.

- (8) 180 cadets from enlisted members of the Air Force, appointed under subsection (g); and
- (9) in addition to the cadets authorized in clauses (1)–(8), any cadets appointed under subsection (h).

(b) All cadets are appointed by the President. An appointment is conditional until the cadet is admitted.

(c) No person may be nominated under clauses (1)–(5) of subsection (a), unless he is domiciled in the State or Territory, or in the congressional district, from which he is nominated, or in the District of Columbia or Puerto Rico, if nominated from one of those places.

(d) To be eligible for nomination by the Governor of the Canal Zone, a person must be the son of a civilian residing in the Canal Zone, or of a civilian officer or employee of the United States or the Panama Canal Company residing in the Republic of Panama.

(e) Of the 172 cadets authorized to be appointed from the United States at large—

- (1) 89 may be personally selected by the President;
- (2) 3 may be nominated by the Vice President;
- (3) 40 shall be nominated under regulations prescribed by the Secretary of the Air Force, from honor graduates of the schools designated by the Department of the Army or the Department of the Air Force as honor military schools or by the Department of the Navy as honor naval schools; and
- (4) 40, otherwise qualified for admission, may be selected in order of merit as established by competitive examination, from the sons of members of the armed forces who were killed in action or died of wounds or injuries received or diseases contracted in, or preexisting injury or disease aggravated by, active service (A)

during World War I or World War II, as defined by laws providing service-connected compensation or pension benefits for veterans of those wars and their dependents, or (B) after June 26, 1950, and before February 1, 1955.

(f) For the purposes of subsection (e) (4), a determination by the Veterans' Administration whether a death is service-connected is binding upon the Secretary of the Air Force.

(g) Of the 180 cadets authorized to be appointed from the enlisted members of the Army and the Air Force, 90 may be appointed from the Regular Army and the Regular Air Force, and 90 from the reserve components of the Army and the Air Force. For each vacancy to be filled from one of those categories, there may be selected to compete at an annual examination three candidates from that category who have served at least one year on active duty or in an active-duty training status, including training performed under sections 502, 503, 504, and 505 of title 32. Appointments to fill vacancies from those categories shall be made from candidates, in order of their merit, making the highest grades on the examination. The Secretary shall prescribe regulations for the selection of candidates under this subsection.

(h) If he is otherwise qualified for admission, the son of a person to whom the Medal of Honor has been awarded for an act performed while in the armed forces may be appointed a cadet from the United States at large.

§ 9343. Cadets: appointment; to bring to full strength

If it is determined that, upon the admission of a new class to the Academy, the number of cadets at the Academy will be below the authorized number, the Secretary of the Air Force may nominate as many qualified alternates and other qualified candidates who competed for nomination and are recommended and found qualified by the Faculty as are necessary to meet the needs of the Air Force, but not more than the authorized strength of Air Force cadets. At least two-thirds of those nominated under this section shall be selected from qualified alternates nominated by the persons named in clauses (1)-(6) of section 9342 (a), and clause (2) of section 9342 (e), of this title, and the remainder from qualified candidates holding competitive nominations under any other provision of law. An appointment under this section is an additional appointment and is not in place of an appointment otherwise authorized by law.

§ 9344. Selection of persons from Canada and American Republics

(a) Upon designation by the President, the Secretary of the Air Force may permit not more than 20 persons at any one time from Canada and the American Republics, other than the United States, to receive instruction at the Academy. However, not more than three persons from any one of those republics or from Canada may receive instruction under this section at any one time.

(b) A person receiving instruction under this section is entitled to the pay, allowances, and emoluments of a cadet appointed from the United States, and from the same appropriations. However, the mileage allowance payable to that person for travel to the Academy for initial admission is not limited to mileage for travel within the United States.

(c) Except as the Secretary determines, a person receiving instruction under this section is subject to the same regulations governing admission, attendance, discipline, resignation, discharge, dismissal, and graduation as a cadet at the Academy appointed from the United States. However, a person receiving instruction under this section is not entitled to appointment in the Air Force by reason of his graduation from the Academy.

§ 9345. Selection of Filipinos

(a) The Secretary of the Air Force may permit not more than four Filipinos at any one time to receive instruction at the Academy. Of these, one may be designated by the President of the Republic of the Philippines for each entering class.

(b) A Filipino receiving instruction under this section is entitled to the pay, allowances, and emoluments of a cadet appointed from the United States, and from the same appropriations.

§ 9346. Cadets: requirements for admission

(a) To be eligible for admission to the Academy a candidate must be at least 17 years of age and must not have passed his twenty-second birthday on July 1 of the year in which he enters the Academy.

(b) To be admitted to the Academy, an appointee must show, by an examination held under regulations prescribed by the Secretary of the Air Force, that he is qualified in the subjects prescribed by the Secretary.

(c) A candidate designated as a principal or an alternate for appointment as a cadet shall appear for physical examination at a time and place designated by the Secretary.

§ 9347. Cadets; nominees: effect of redistricting of States

If as a result of redistricting a State the domicile of a cadet, or a nominee, nominated by a Representative falls within a congressional district other than that from which he was nominated, he is charged to the district in which his domicile so falls. For this purpose, the number of cadets otherwise authorized for that district is increased to include him. However, the number as so increased is reduced by one if he fails to become a cadet or when he is finally separated from the Academy.

§ 9348. Cadets: agreement to serve as officer

Each cadet who is a citizen or national of the United States shall sign an agreement that, unless sooner separated, he will—

- (1) complete the course of instruction at the Academy;
- (2) accept an appointment and serve as a commissioned officer of the Regular Air Force for at least the three years immediately after graduation; and
- (3) accept an appointment as a commissioned officer as a Reserve for service in the Air Force Reserve and remain therein until the sixth anniversary of his graduation, if an appointment in the Regular Air Force is not tendered to him, or if he is permitted to resign as a commissioned officer of that component before that anniversary.

If the cadet is a minor and has parents or a guardian, he may sign the agreement only with the consent of the parents or guardian.

§ 9349. Cadets: organization; service; instruction

(a) A cadet shall perform duties at such places and of such type as the President may direct.

(b) The course of instruction at the Academy is four years.

(c) The Secretary of the Air Force shall so arrange the course of studies at the Academy that cadets are not required to pursue their studies on Sunday.

(d) Cadets shall be trained in the duties of members of the Air Force.

§ 9350. Cadets: clothing and equipment

(a) The Secretary of the Air Force may prescribe the amount to be credited to a cadet, upon original admission to the Academy, for the cost of his initial issue of clothing and equipment. That amount shall be deducted from his pay. If a cadet is discharged before graduation while owing the United States for pay advanced for the purchase of required clothing and equipment, he shall turn in so much of his clothing and equipment of a distinctive military nature as is necessary to repay the amount advanced. If the value of the clothing and equipment turned in does not cover the amount owed, the indebtedness shall be canceled.

(b) Under such regulations as the Secretary may prescribe, uniforms and equipment shall be furnished to a cadet at the Academy upon his request.

§ 9351. Cadets: deficiencies in conduct or studies; effect of failure on successor

(a) A cadet who is reported as deficient in conduct or studies and recommended to be discharged from the Academy may not, unless recommended by the Academy Board, be returned or reappointed to the Academy.

(b) Any cadet who fails to pass a required examination because he is deficient in any one subject of instruction is entitled to a reexamination of equal scope and difficulty in that subject, if he applies in writing to the Superintendent within 10 days after he is officially notified of his failure. The reexamination shall be held within 60 days after the date of his application. If the cadet passes the reexamination and is otherwise qualified, he shall be readmitted to the Academy. If he fails, he may not have another examination.

(c) The failure of a member of a graduating class to complete the course with his class does not delay the admission of his successor.

§ 9352. Cadets: hazing

(a) Subject to the approval of the Secretary of the Air Force, the Superintendent of the Academy shall issue regulations—

(1) defining hazing;

(2) designed to prevent that practice; and

(3) prescribing dismissal, suspension, or other adequate punishment for violations.

(b) If a cadet who is charged with violating a regulation issued under subsection (a), the penalty for which is or may be dismissal from the Academy, requests in writing a trial by a general court-martial, he may not be dismissed for that offense except under sentence of such a court.

(c) A cadet dismissed from the Academy for hazing may not be reappointed as an Air Force cadet, and is ineligible for appointment as a commissioned officer in a regular component of the Army, Navy, Air Force, or Marine Corps, until two years after the graduation of his class.

§ 9353. Cadets: degree and commission on graduation

(a) Under such conditions as the Secretary of the Air Force may prescribe, the Superintendent of the Academy may confer the degree of bachelor of science upon graduates of the Academy.

(b) Notwithstanding any other provision of law except section 541 of this title, a cadet who completes the prescribed course of instruction may, upon graduation, be appointed a second lieutenant in the Regular Air Force.

§ 9354. Buildings and grounds: buildings for religious worship

The Secretary of the Air Force may authorize any denomination, sect, or religious body to erect a building for religious worship at the Air Force Academy, if its erection will not interfere with the use of the reservation for military purposes and will be without expense to the United States. Such a building shall be removed, or its location changed, without compensation for it and without expense to the United States, by the denomination, sect, or religious body that erected it, whenever in the opinion of the Secretary public or military necessity so requires.

§ 9355. Board of Visitors

(a) A Board of Visitors to the Academy is constituted annually of—

(1) the chairman of the Committee on Armed Services of the Senate, or his designee;

(2) three other members of the Senate designated by the Vice President or the President pro tempore of the Senate, two of whom are members of the Committee on Appropriations of the Senate;

(5) six persons designated by the President.

(b) Of the first six persons designated by the President, two shall be designated to serve for one year, two shall be designated to serve for two years, and two shall be designated to serve for three years. Persons designated thereafter serve for three years. Two persons shall be designated by him each year to succeed the members whose terms expire that year.

(c) If a member of the Board dies or resigns, a successor shall be designated for the unexpired portion of the term by the official who designated the member.

(d) The Board shall visit the Academy annually. With the approval of the Secretary of the Air Force, the Board or its members may make other visits to the Academy in connection with the duties of the Board or to consult with the Superintendent of the Academy.

(e) The Board shall inquire into the morale and discipline, the curriculum, instruction, physical equipment, fiscal affairs, academic methods, and other matters relating to the Academy which the Board decides to consider.

(f) Within 60 days after its annual visit, the Board shall submit a written report to the President of its action, and of its views and recommendations pertaining to the Academy. Any report of a visit, other than the annual visit, shall, if approved by a majority of the members of the Board, be submitted to the President within 60 days after the approval.

(g) Upon approval by the Secretary, the Board may call in advisers for consultation.

(h) While performing his duties, each member of the Board and each adviser is entitled to not more than \$5 a day and shall be reimbursed under Government travel regulations for his travel expenses.

(3) the authorities of the institution, other than a State university or a State institution required to provide military instruction under section 304 of title 37, agree to establish and maintain a two

years' elective or compulsory course of military training as a minimum for its physically fit male students the completion of which is a prerequisite for the graduation of any student beginning the course unless he is relieved of this obligation under regulations prescribed by the Secretary.

(d) Only a person who is a citizen of the United States, who is at least 14 years of age, who is a student at an institution where a unit of the Corps is established, and whose condition shows that he is physically able to perform military duty or that he will be so on becoming of military age, is eligible to be a member of the Air Force Reserve Officers' Training Corps.

§ 9383. Medical, dental, pharmacy, and veterinary students: admission

(a) A medical, dental, pharmacy, or veterinary student may be admitted to a medical, dental, pharmacy, or veterinary unit of the Air Force Reserve Officers' Training Corps for a course of training consisting of 90 hours of instruction a year for four academic years.

§ 9384. Courses of training

The Secretary of the Air Force may prescribe standard courses of theoretical and practical military training for units of the Air Force Reserve Officers' Training Corps. No unit may be established or maintained at an institution unless it provides the course of military training prescribed by the Secretary and unless its students who are taking that training devote to it an average of at least three hours a week during an academic year, except as prescribed under section 9383 of this title.

§ 9385. Training camps

(a) The Secretary of the Air Force may—

(1) maintain camps for the further practical instruction of members of the Air Force Reserve Officers' Training Corps;

(2) transport members of the Corps to and from those camps and furnish them subsistence while traveling to and from those camps or, instead of transportation and subsistence, pay them a travel allowance of five cents a mile by the shortest usually traveled route from the places from which they are authorized to proceed to the camp and return, and pay the allowance for the return trip in advance;

(b) The Secretary may authorize such expenditures as he considers necessary for the efficient maintenance of the Corps.

(c) The Secretary shall require, from each institution to which property is issued under subsection (a), a bond or other indemnity in such amount as he considers adequate, but not less than \$5,000, for the care and safekeeping of all property so issued except uniforms, expendable articles and supplies expended in operation, maintenance, and instruction. The Secretary may accept a bond without surety if the institution to which the property is issued furnishes to him satisfactory evidence of its financial responsibility.

§ 9387. Advanced training: compensation

(a) A member of the senior division of the Air Force Reserve Officers' Training Corps is eligible for advanced training, and is entitled to an allowance for subsistence at such rate, not exceeding the cost of the garrison ration of the Air Force, as may be fixed by the Secretary of the Air Force during the remainder of his service in the Air Force Reserve Officers' Training Corps, but not more than two years, if he—

- (5) agrees in writing to take a course prescribed by the Secretary, at a training camp.

(b) Under such regulations as the Secretary may prescribe, in determining a member's eligibility for advanced training and entitlement to an allowance for subsistence under subsection (a), he may

be credited with periods of military training, if that training is substantially equivalent to that prescribed for admission to the advanced course and is received while he is—

- (1) taking a course of instruction in the Reserve Officers' Training Corps of the Army;
- (2) taking a course of instruction in the Naval Reserve Officers' Training Corps; or
- (3) on active duty in the armed forces.

(c) A person selected for advanced training under this section may be allowed to delay the start of that training and to interrupt it, if, under the rules of the institution, there will be time enough after any delay or interruption and before graduation to complete the advanced training.

(e) If the summary court-martial cannot dispose of the effects under subsection (d) because there are no persons in those categories or because the court finds that the addresses of the persons are not known or readily ascertainable, the court may convert the effects of the deceased, except sabers, insignia, decorations, medals, watches, trinkets, manuscripts, and other articles valuable chiefly as keepsakes, into cash, by public or private sale, but not until 30 days after the date of death of the deceased.

(f) As soon as practicable after the effects have been converted into cash under subsection (e), the summary court-martial shall deposit all cash in the court's possession and belonging to the estate with the officer designated in regulations, and shall send a receipt therefor, together with any will or other papers of value, an inventory of the effects, and articles not permitted to be sold, to the executive part of the Department of the Air Force for transmission to the Soldiers' Home.

(g) The summary court-martial shall make a full report of the transactions under this section, with respect to the deceased, to the Department of the Air Force for transmission to the General Accounting Office for action authorized in the settlement of accounts of deceased members of the Air Force.

§ 9713. Disposition of effects of deceased persons by Soldiers' Home

(a) The effects of a deceased person that the Department of the Air Force receives under section 9712 (f) of this title shall be delivered to the Soldiers' Home. The Home shall dispose of the effects as follows:

(1) A will or other paper involving property rights shall be promptly delivered to the proper court of record.

(2) If the heirs or legal representative of the deceased cannot sooner be ascertained, the Home shall retain the remaining effects until three years after the death of the deceased, and then, upon establishment of a right thereto to the satisfaction of the Home, it shall deliver them to the living person highest on the following list who can be found:

- (A) Surviving spouse or legal representative.
- (B) Son.
- (C) Daughter.
- (D) Father, if he has not abandoned the support of his family.
- (E) Mother.
- (F) Brother.
- (G) Sister.
- (H) Next of kin.

(b) After three years from the date of death, the Home may sell the effects to which a right has not been established by the heirs or legal representative, except decorations, medals, and citations, by public or private sale, as it considers most advantageous.

(c) After five years from the date of death, the Home shall dispose of effects that are not sold under subsection (b) and to which a right has not been established by the heirs or legal representative of the deceased, including decorations, medals, and citations, in the manner that it considers most appropriate in the public interest. It may retain them; deliver them to the Veterans' Administration, a State or other military home, a museum, or other appropriate institution; or destroy them if the Board of Commissioners of the Home determines that they are valueless.

(d) The net proceeds received by the Home from the sale of the deceased's effects shall be covered into the Treasury to the credit of the fund called the "Soldiers' Home permanent fund (trust fund)", and the principal of the fund so increased shall draw interest at 3 percent a year, payable quarterly to the treasurer of the Home.

(e) A claim for the net proceeds of the sale of the deceased's effects may be filed with the General Accounting Office at any time within six years after the date of his death, for action under section 2771 of this title. If not so filed, such a claim may not be considered by a court or the General Accounting Office.

(f) A claim allowed by the General Accounting Office under subsection (e) shall be certified to the treasurer of the Home for payment from the Soldiers' Home permanent fund (trust fund) in the amount found due, including accrued interest. No claim may be allowed or paid in excess of the net proceeds, including accrued interest, of the estate covered into the Treasury under subsection (d).

§ 9742. Control of transportation systems in time of war

In time of war, the President, through the Secretary of the Air Force, may take possession and assume control of all or part of any system of transportation to transport troops, war material, and equipment, or for other purposes related to the emergency. So far as necessary, he may use the system to the exclusion of other traffic.

(1) the Secretary of the Air Force considers that accommodations are available;

(2) the transportation is without expense to the United States;

(3) the transportation is limited to one round trip between Alaska and the United States during any two-year period, except in an emergency such as sickness or death; and

(4) in case of travel by air—

(A) the Civil Aeronautics Board has not certified that commercial air carriers of the United States that can handle the transportation are operating between Alaska and the United States; and

(B) the transportation cannot be reasonably handled by a United States commercial air carrier.

§ 9748. Motor vehicles: for members on permanent change of station

When a member of the Air Force is ordered to make a permanent change of station, one motor vehicle owned by him and for his personal use may be transported to his new station on a vessel owned by the United States.

The Secretary of the Air Force may accept for the United States a gift of—

- (1) land that he considers suitable and desirable for a permanent mobilization, training, or supply base; and
- (2) land that he considers suitable and desirable for an aviation field, if the gift is from a citizen of the United States and its terms authorize the use of the property by the United States for any purpose.

§ 9772. Reservation and use for air base or testing field

When ordered by the President—

- (1) unappropriated public land may be reserved from entry for an air base, or a field for tests and experiments, for the Air Force; and
- (2) such land and other property of the United States may be designated and used for either of those purposes.

§ 9773. Acquisition and construction: air bases and depots

(a) The Secretary of the Air Force shall determine the sites of such additional permanent air bases and depots in all strategic areas of the United States and the Territories, Commonwealths, possessions, and holdings as he considers necessary. He shall determine when the enlargement of existing air bases and depots is necessary for the effective peacetime training of the Air Force.

(b) In determining the sites of new air bases and depots, the Secretary shall consider the following regions for the purposes indicated—

- (1) the Atlantic northeast, for training in cold weather and in fog;
- (2) the Atlantic southeast and Caribbean areas, for training in long-range operations, especially those incident to reinforcing the defenses of the Panama Canal;

(3) the southeastern United States, to provide a depot necessary to maintain the Air Force;

(4) the Pacific northwest, to establish and maintain air communication with Alaska;

(5) Alaska, for training under conditions of extreme cold;

(6) the Rocky Mountain area, to provide a depot necessary to maintain the Air Force, and for training in operations from fields in high altitudes; and

(7) other regions, for the establishment of intermediate air bases to provide for transcontinental movements of the Air Force for maneuvers.

(c) In selecting sites for air bases and depots covered by this section and in determining the alteration or enlargement of existing air bases or depots, the Secretary shall consider the need—

(1) to form the nucleus for concentration of Air Force units in time of war;

(2) to permit, in time of peace, training and effective planning in each strategic area for the use and expansion of commercial, municipal, and private flying installations in time of war;

(3) to locate, in each strategic area in which it is considered necessary, adequate storage facilities for munitions and other articles necessary to facilitate the movement, concentration, maintenance, and operation of the Air Force; and

(4) to afford the maximum warning against surprise attack by enemy aircraft upon aviation of the United States and its necessary installations consistent with maintaining, in connection with existing or contemplated landing fields, the full power of the Air Force for operations necessary in the defense of the United States, and in the defense and reinforcement of the Territories, Commonwealths, possessions, and holdings.

(d) In carrying out this section, the Secretary, on behalf of the United States, may acquire title, in fee simple and free of encumbrance, to any land that he considers necessary—

(1) by accepting title without cost to the United States;

(2) by exchanging military reservations or parts thereof for that land, upon the written approval of the President; or

(3) by purchase or condemnation, if acquisition by gift or exchange is impracticable.

(e) The Secretary may, by purchase, gift, lease, or otherwise, acquire at desired locations bombing and machine gun ranges necessary for practice by, and the training of, tactical units.

(f) At each air base or depot established under this section, the Secretary shall remove or remodel existing structures as necessary; do necessary grading; and provide buildings, utilities, communication systems, landing fields and mats, roads, walks, aprons, docks, runways, facilities for the storage and distribution of ammunition, fuel, oil, necessary protection against bombs, and all appurtenances to the foregoing.

(g) The Secretary may direct the transportation of personnel, and the purchase, renovation, and transportation of material, that he considers necessary to carry out this section.

§ 9774. Construction of quarters: limitations on space and cost

(a) In the construction of family quarters from appropriated funds for members of the Air Force, the following are the maximum limitations on net floor area for each unit:

Grade	Square feet
General officer.....	2, 100
Colonel.....	1, 670
Major or lieutenant colonel.....	1, 400
Officer below major.....	1, 250
Enlisted member.....	1, 080

In this section, "net floor area" means the space inside the exterior walls, excluding basement, service space instead of basement, attic, garage, and porches.

(b) The maximum limitations prescribed by subsection (a) are increased—

- (1) 10 percent for quarters outside the United States; and
- (2) 10 percent for quarters of the commanding officer of any station, air base, or other installation, based on the grade authorized for that position.

(c) The maximum limitations for family quarters constructed from appropriated funds for civilians are the same as those for members of the Air Force of comparable responsibility, grade, and pay, as determined by the Secretary of the Air Force.

(d) Except when built by members of the Air Force, no permanent barrack, quarters, building, or other permanent structure may be built unless a detailed estimate of its cost has been submitted to Congress and a specific appropriation has been made therefor. No one may build such a structure without specific authority of Congress if the cost is more than \$100,000.

(e) A limitation upon the cost of quarters built for members of the Air Force does not apply to expenditures for work and equipment outside those quarters, including expenditures for—

- (1) the furnishing of electricity, gas, water, and sewage disposal;
- (2) roads and walks;
- (3) grading and drainage; and
- (4) the construction of air bases or depots under section 9773 of this title.

§ 9775. Quarters: officers

If there are quarters belonging to the United States at an air base or other Air Force installation, they may be assigned as follows:

Grade	Number of rooms
Lieutenant general.....	10
Major general.....	9
Brigadier general.....	8
Colonel.....	7
Lieutenant colonel.....	6
Major.....	5
Captain.....	4
First lieutenant.....	3
Second lieutenant.....	2

If such quarters exist, no other quarters may be assigned to commissioned officers.

§ 9776. Emergency construction: fortifications

If in an emergency the President considers it urgent, a temporary air base or fortification may be built on private land if the owner consents in writing. In such a case, section 175 of title 50 does not apply.

§ 9777. Permits: military reservations; landing ferries, erecting bridges, driving livestock

Whenever the Secretary of the Air Force considers that it can be done without injury to the reservation or inconvenience to the military forces stationed there, he may permit—

- (1) the landing of ferries at a military reservation;
- (2) the erection of bridges on a military reservation; and
- (3) the driving of livestock across a military reservation.

§ 9778. Licenses: military reservations; erection and use of buildings; Young Men's Christian Association

Under such conditions as he may prescribe, the Secretary of the Air Force may issue a revocable license to the International Committee of Young Men's Christian Associations of North America to erect and maintain, on military reservations within the United States and the Territories, Commonwealths, and possessions, buildings needed by that organization for the promotion of the social, physical, intellectual, and moral welfare of the members of the Air Force on those reservations.

§ 9779. Use of public property

(a) When the economy of the Air Force so requires, the Secretary of the Air Force shall establish military headquarters in places where suitable buildings are owned by the United States.

(b) The Secretary shall assign suitable space for postal purposes at each air base where there is a post office.

(c) No money appropriated for the support of the Air Force may be spent for base gardens or Air Force exchanges. However, this does not prevent Air Force exchanges from using public buildings or public transportation that, in the opinion of the Secretary, are not needed for other purposes.

9801. Definition.

9802. Damage by United States vessels; towage and salvage of United States vessels.

9804. Salvage claims by United States.

9805. Reports to Congress.

9806. Settlement or compromise: final and conclusive.

§ 9801. Definition

In this chapter, "settle" means consider, ascertain, adjust, determine, and dispose of a claim, whether by full or partial allowance or by disallowance.

§ 9802. Damage by United States vessels; towage and salvage of United States vessels

(a) Under the direction of the Secretary of Defense, the Secretary of the Air Force may settle or compromise a claim against the United States for—

(1) damage caused by a vessel of, or in the service of, the Department of the Air Force; or

(2) compensation for towage and salvage service, including contract salvage, rendered to a vessel of, or in the service of, the Department of the Air Force.

(b) If a claim under subsection (a) is settled or compromised for \$500,000 or less, the Secretary of the Air Force may pay it. If it is settled or compromised for more than \$500,000, he shall certify it to Congress.

(c) In any case where the amount to be paid is not more than \$1,000, the Secretary of the Air Force may delegate his authority under subsection (a) to any person in the Department of the Air Force designated by him.

§ 9803. Admiralty claims by United States

(a) Under the direction of the Secretary of Defense, the Secretary of the Air Force may settle, or compromise, and receive payment of a claim by the United States for damage to property under the jurisdiction of the Department of the Air Force or property for which the Department has assumed an obligation to respond for damage, if—

(1) the claim is—

(A) of a kind that is within the admiralty jurisdiction of a district court of the United States; or

(B) for damage caused by a vessel or floating object; and

(2) the amount to be received by the United States is not more than \$500,000.

(b) In exchange for payment of an amount found to be due the United States under subsection (a), the Secretary of the Air Force may execute a release of the claim on behalf of the United States. Amounts received under this section shall be covered into the Treasury.

(c) In any case where the amount to be received by the United States is not more than \$1,000, the Secretary of the Air Force may delegate his authority under subsections (a) and (b) to any person in the Department of the Air Force designated by him.

§ 9804. Salvage claims by United States

Under the direction of the Secretary of Defense, the Secretary of the Air Force may settle, or compromise, and receive payment of a claim by the United States for salvage services performed by the Department of the Air Force for any vessel. Amounts received under this section shall be covered into the Treasury.

§ 9805. Reports to Congress

The Secretary of the Air Force shall report to the Committees on Armed Services of the Senate and the House of Representatives within 20 days after paying a claim in an amount over \$3,000 under section

9802 of this title, or receiving payment of a claim under section 9803 or 9804 of this title. The report shall include a description of the claim, the names of the vessels involved, a statement of the amount paid or received, the basis of the determination, and other pertinent information. The Secretary shall also report to Congress at each session all amounts paid or received under those sections during the period covered by the report. However, during a war, the Secretary may omit from a report under this section any information the disclosure of which he believes would prejudice the national security.

§ 9806. Settlement or compromise: final and conclusive

Notwithstanding any other provision of law, upon acceptance of payment the settlement or compromise of a claim under section 9802 or 9803 of this title is final and conclusive.

CHAPTER 953.—ACCOUNTABILITY AND RESPONSIBILITY

Sec.

- 9831. Custody of departmental records and property.
- 9832. Property accountability: regulations.
- 9833. Accountability for public money: disbursing officers; agent officers.
- 9835. Reports of survey.
- 9836. Individual equipment: unauthorized disposition.
- 9837. Settlement of accounts: deductions from pay.
- 9838. Settlement of accounts: affidavit of squadron commander.
- 9839. Settlement of accounts: oaths.
- 9840. Final settlement of officer's accounts.

§ 9831. Custody of departmental records and property

The Secretary of the Air Force has custody and charge of all books, records, papers, furniture, fixtures, and other property under the lawful control of the executive part of the Department of the Air Force.

§ 9832. Property accountability: regulations

The Secretary of the Air Force may prescribe regulations for the accounting for Air Force property and the fixing of responsibility for that property.

§ 9833. Accountability for public money: disbursing officers; agent officers

Under such regulations as the Secretary of the Air Force may prescribe, any officer of the Air Force accountable for public money may intrust it to another officer of the Air Force to make disbursements as his agent. Both the officer to whom money is intrusted under this section, and the officer who intrusts the money to him, are pecuniarily responsible for that money to the United States.

§ 9835. Reports of survey

(a) Under such regulations as the Secretary of the Air Force may prescribe, any officer of the Air Force designated by him may act upon reports of surveys and vouchers pertaining to the loss, spoilage, unserviceability, unsuitability, or destruction of or damage to property of the United States under the control of the Department of the Air Force.

(b) Action taken under subsection (a) is final, except that action holding a person pecuniarily liable for loss, spoilage, destruction, or damage is not final until approved by the Secretary or an officer of the Air Force designated by him.

§ 9836. Individual equipment: unauthorized disposition

(a) No enlisted member of the Air Force may sell, lend, pledge, barter, or give any clothing, arms, or equipment furnished him by the United States to any person other than a member of the Air Force, or an officer of the United States, authorized to receive it.

(b) If a member of the Air Force has disposed of property in violation of subsection (a) and it is in the possession of a person who is neither a member of the Air Force, nor an officer of the United States, authorized to receive it, that person has no right to or interest in the property, and any civil or military officer of the United States may seize it, wherever found. Possession of such property furnished by the United States to a member of the Air Force, by a person who is neither a member of the Air Force nor an officer of the United States, is prima facie evidence that it has been disposed of in violation of subsection (a).

(c) If an officer who seizes property under subsection (b) is not authorized to retain it for the United States, he shall deliver it to a person who is authorized to retain it.

§ 9837. Settlement of accounts: deductions from pay

(a) An amount due the United States from an enlisted member of the Air Force for articles sold to the member on credit under section 9621 (a) (1) of this title shall be deducted from the next pay due that member after the sale is reported. An amount due the United States from an enlisted member of the Air Force for tobacco sold to him by the United States under section 9623 of this title shall be deducted from his pay in the manner provided for the settlement of clothing accounts.

(b) Under regulations to be prescribed by the Secretary of the Air Force, any amount that an enlisted member is administratively determined to owe the United States or any of its instrumentalities may be deducted from his pay in monthly installments. However, after the deduction of pay forfeited by the sentence of a court-martial, if any, or otherwise authorized by law to be withheld, the deductions authorized by this section may not reduce the pay actually received for any month to less than one-third of his basic pay for that month.

(c) Subject to subsection (b), an amount due the United States from an enlisted member may be deducted from his pay on final statement, or from his savings on his clothing allowance.

(d) If he considers it in the best interest of the United States, the Secretary may have remitted or cancelled any part of an enlisted member's indebtedness to the United States or any of its instrumentalities remaining unpaid before, or at the time of, that member's honorable discharge.

(e) The amount of any damage, or cost of repairs, to arms or equipment caused by the abuse or negligence of a member of the Air Force who had the care of, or was using, the property when it was damaged shall be deducted from his pay.

(f) If, upon final settlement of the accounts of a commissioned officer of the Air Force charged with the issue of an article of military supply, there is a deficiency of that article, or if an article of military supply with whose issue a commissioned officer is charged is damaged, the value of the lost article or the amount of the damage shall be charged against the officer and deducted from his monthly pay, unless he shows to the satisfaction of the Secretary, by one or more affidavits setting forth the circumstances, that he was not at fault.

(g) An amount due the United States from an officer of the Air Force for rations bought on credit, and for articles bought on credit under section 9621 (a) (1) of this title, shall be deducted from the next pay due that officer after the sale is reported.

§ 9838. Settlement of accounts: affidavit of squadron commander

In the settlement of the accounts of the commanding officer of a squadron for clothing and other military supplies, his affidavit may be received to show—

- (1) that vouchers or squadron books were lost;
- (2) anything tending to prove that any apparent deficiency of those articles was caused by unavoidable accident, or by loss in actual service without his fault; or
- (3) that all or part of the clothing and supplies was properly used.

The affidavit may be used as evidence of the facts set forth, with or without other evidence, as determined by the Secretary of the Air Force to be just and proper under the circumstances.

§ 9839. Settlement of accounts: oaths

The Secretary of the Air Force may detail any employee of the Department of the Air Force to administer oaths required by law in the settlement of an officer's accounts for clothing and other military supplies. An oath administered under this section shall be without expense to the person to whom it is administered.

§ 9840. Final settlement of officer's accounts

Before final payment upon discharge may be made to an officer of the Air Force who has been accountable or responsible for public property, he must obtain a certificate of nonindebtedness to the United States from each officer to whom he was accountable or responsible for property. He must also make an affidavit, certified by his commanding officer to be correct, that he is not accountable or responsible for property to any other officer. An officer who has not been responsible for public property must make an affidavit of that fact, certified by his commanding officer. Compliance with this section warrants the final payment of the officer concerned.
